

# A Man's Easter Hat

Is just as Important as a woman's
—though there is not half the fuss
made over it.

Nor does it cost a fraction of the one his wife will wear.

But an Easter hat he must have, and to get the right one he turns to the Siegel stock.

Spring's newest and niftiest blocks in soft and stiff shapes.

Never so far as we know, has this city seen such good Linens or so much of them, at such low prices as we shall sell these Linens for during this Great Sale.

#### DRAMA

The years stretch in between Otis Skinner's flying trips into the West, and in the interim it is rather a weary watch for those who love a glimpse now and then of the polished artistry and the finished, delightful acting one so unconsciously associates with that older school of actors whose vanguard long since passed stageland's horizon.

Of their charmed circle is Mr. Skinner—one of the few actors whose name, Klaw and Erlanger seemed forced to admit, should occupy as prominent a place on the billboards as the announcement that the play ran three or four months in New York or Newark or some other place. It has been three years since his last appearance at the Theatre, when he played in "The Duel" and a crowd that fairly yearned to reach up over the footlights and welcome him back was out Monday evening when he opened a half week's engagement in the new Tarkington-Wilson play, "Your Humble Servant."

The richness of voice, the charm of personality, the innumerable perfect little pieces of stage business which, combined with his wonderful versatility and talent, long ago brought him into stardom and the favoritism of playgoers, are in evidence to even a more pleasurable degree than

Miss Erna Claren with "Seldoms' Venus" at the Orpheum next week. Miss Claren is said to be one of the most perfect models in the world

in seasons past and the play which Booth Tarkington and Harry Leon Wilson have provided is so harmlessly entertaining that the combination furnished one of the treats of the season.

It is an actor's play with the principal character an old time type of barnstormer, lovable, cheerful, vain to a moment's fleeting success, unsuppressable and something of a philosopher. A trashy, lightweight little story for the most part, with just the rare old flavor of Mr. Skinner's acting and the irresistible charm of Izetta Jewel's playing to make it worth white. And even so, you find yoursel' asking rather reproachfully before the second act is over if this man's artistry isn't worth something with a trifle more backbone to it than "Your Humble Servant" possesses. The final acts, however, finds the story broadened in sweep and enough seriousness added to buoy it up.

Those who took the play to heart found them-

OUR efforts to supply the well dressed women of Salt Lake this spring with correctness of style in a splendid stock of garments of rare distinction and smartness, has not been lost on the appreciative people who have viewed the Gowns, Hats, Blouses, and Tailored Walsts, the New Neck ruffs and side effects and other novelties now being shown at the SMART SHOP.
